The Director, U.S. Information Agency
The Military Representative of the President

SUBJECT: Counterinsurgency Doctrine

The President has approved the document entitled "U.S. Overseas Internal Defense Policy", which sets forth a national counterinsurgency doctrine for the use of U.S. departments and agencies concerned with the internal defense of overseas areas threatened by subversive insurgency, and has directed its promulgation to serve as basic policy guidance to diplomatic missions, consular personnel, and military commands abroad; to government departments and agencies at home; and to the government educational system. The addressees of this NSAM will take action to insure that the policies set forth in the document are reflected in departmental and agency operations and in such additional instructions and guidance as may be required to assure uniformity of effort. They will also initiate the formulation of the internal doctrine, tactics, and techniques appropriate to their own department or agency, based upon "U.S. Overseas Defense Policy." These studies when completed will be reviewed by the Special Group (CI).
